## **Resolution**

First meeting of **Ajiz** was started with the poise name of Allah by Mr. Hafiz Imran Tahir. He recited and then translated some verses from Holy Quran. All the participants remained still and silent during the recitation and were filled with pleasant sensation of spiritualism, being Muslims.

### **A General review of Meeting:**

Mr. Shafqat Bahir Tahir specially thanked, firstly, all the participants for joining “**Ajiz**” and then welcomed whole-heartedly, During his speech, he addressed the participants that at this nick of time when Pakistan is suffering from very sever interior and exterior crises, the Government of Pakistan is neither paying any attention nor budget from welfare projects. In the backdrop of it **AJIZ** deemed mandatory to initiate welfare project here in Pindi Bhattian along with “Rural Areas” keeping in view the paucity of resources and backwardness of the area. So that the backward and the needy portion of our society may be able to be facilitated by the very basic requisition of daily life. For this, Mr. President suggested to choose four main aspects to be focused upon. He presented four main postulates given below to the participants for reviewing and reconciliation.

Following are the main issues:

- ✓ ***Education***
- ✓ ***Human Rights***
- ✓ ***Health***
- ✓ ***Community Development***

These four issues, we can call the basic one without these basic functions society can't perform in well manners that's why present participants are agreed with the speaker that a good research based A welfare foundation should be started in “Hafizabad” district which will specially focuser on “Rural areas” of this district only for the development concern without personal interest. All the participants seconded all above major aspects and

Promised to cooperate and assist in all steps taken for achieving all above mentioned targets/ aims.

*Suggestion for establishment of welfare foundation:*

Mr. Hafiz Imran Tahir suggested to establish a welfare foundation to fulfill these tasks so that all the sources be regulated all the persons in the meeting agreed upon his suggestion and jointed decided to establish the subject foundation and a little bit briefed the participants that how can we achieve development concern purpose. All the participants appreciated and encouraged finally decided to make a research foundation.

*Establishment of a foundation:*

Different participants paid their suggestions at their ends. Yet, the matter was resolved ultimately by clicking at Mr. Munawar Ahmad Shaheed's suggestion of naming the foundation as "AJIZ - Union of development concern" Pindi Bhattian. All the participants appreciated and agreed on this name AJIZ Union of Development Concern.

*The selection of Executive body*

All the participants exposed their contentment and recommendation of the Executive body for AJIZ Union development concern.
